

Teaching Workshop:

Incorporating Inclusion, Diverse Perspectives, and Advancing Equity in the Classroom

With: Dr. Ruth Poproski

*Associate Director for Teaching & Learning
University of Georgia*

Dr. Ruth Poproski from the Center for Teaching and Learning will lead a teaching workshop on inclusive teaching.

Attendants will learn about the primary principles of incorporating inclusion, diverse perspectives, and advancing equity in the classroom, as well as challenges that arise in light of these goals. Participants will develop strategies to better engage with students in inclusive and equitable dialogue, thus developing the knowledge needed to create an inclusive, egalitarian classroom.
